CAMPAIGN 2: PRODUCT TARGETING (The Competitor Campaign)

Note: Keep ASINs in a separate campaign from keywords to prevent budget monopolization.

1. Campaign Settings

- Campaign Name: Basa - Manual - ASIN Targeting
- Targeting: Manual Targeting
- Campaign Bidding Strategy: Dynamic bids - down only

2. Create the Ad Group

- Ad Group Name: Winning ASINs
- Products: Add your mini polaroid ASIN
- Targeting: Product Targeting
- Targeting Option: Individual Products -> Enter list
- ASIN List:
 - ☐ B0G44LFTV9
 - ☐ B0D1G66XWR
 - ☐ B0FD3DRQPK

NEXT STEPS:

Once these two campaigns are active, PAUSE your old Auto campaign so it does not compete against these new, optimized campaigns.
